ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN

By Appointment.

The Fox Hound, with its great pace, perfect shape, indomitable courage, and excellent power of scent, is the result of years of patient and careful breeding towards the goal of a perfect dog. As the name denotes, practically their only use is in the hunting of foxes, large and expensive establishments being maintained for their benefit in the various parts of England where fox-hunting is extensively indulged in.
